Weekly Review Craft Activity Lesson 3 - I Will Pray!

PURPOSE:

This activity will review the lesson with the children and help them share the lesson with others when they go home.

DESCRIPTION:

In this activity, the children will make a craft that will help them share the story of what they learned with their friends and family.

MATERIALS NEEDED:

For this activity, you will need this Help Sheet and an NLT translation of the Bible. Each child will need scissors, tape, a Bible, writing utensils, and the "Broadcast The Bible Lesson Craft Lesson 3" and "Broadcast The Bible Craft Instruction Page" from the Lesson Materials Folder.

TO INTRODUCE THE ACTIVITY SAY:

1. Our Main Point today is **I Will Pray!** Everyone say that together, with me. (*I Will Pray!*)
2. That is not only a great Main Point, it is a great lesson that we need to broadcast to all of our friends and family.
3. Today, we will review the lesson and prepare to share that message with our friends and family.

For detailed instructions on how to lead the activity, watch the Training Video.

Note: Pass out the materials to the children and help them cut out the pieces correctly.

DURING THE ACTIVITY SAY:

1. Reporters often use cue cards and teleprompters to remind them of what to say when they are reporting on an important story.
2. Today, you will make a tool to help you remember how to report on what we learned.
3. You should have a scene with a screen in it, and a filmstrip with scenes from our Bible Lesson in it.
4. Cut a slit where it is noted on either side of the screen in your scene.
5. Then, cut out your filmstrips and tape them together.
6. Once you have finished, look at the back of the filmstrips.
7. The back of the filmstrips tells you what to say when the picture is showing in the front.
8. That way you can provide the soundtrack for your broadcast.
9. But there is one slide that is incomplete. Which one is it? (*The Bible Verse.*)
10. That is correct. We need to look up the reference and use our Bibles to fill in the missing words.

Note: Help the children look up the verse and read it together. Be sure you have an NLT version of the Bible so that you can help them fill in the blanks.

"I love the LORD because he hears my voice and my prayer for mercy." Psalm 116:1 (NLT)

11. Now that we have filled in the missing words, you can use this tool to broadcast the lesson we learned today to your family and friends.
12. Show the side with the pictures to your audience and use the words on the back of each picture to help you tell the story.
13. Good reporters always practice a story before going live on the air, so get with a partner and practice showing the pictures and telling the story to each other.

AFTER THE ACTIVITY SAY:

1. Whenever we learn something here at church, it is news we should share with others.
2. You will all make great jr. reporters by using this tool to help you tell this story to your friends and family.

CLOSING STATEMENT:

Don't miss a chance to broadcast your story this week. Tell everyone about what we learned and invite them to come to church with you next week to learn even more.
